### **Academics**

#### **Explore your major fairs**

Explore the major(s) you're interested in while meeting both faculty and peers!

#### **Meet the colleges sessions**

**College of Agricultural and Environmental Sciences** - Come learn about being a student in the College of Agricultural and Environmental Sciences, CAES, from staff members of the Undergraduate Academic Programs team and CAES students! We will provide information about academic support and services and unique programs within the college in an interactive way where participants will be eligible to win prizes!

**College of Biological Sciences** - Envision yourself as a future scientist, biologist or health professional by learning about the exceptional undergraduate programs and innovative opportunities created by the College of Biological Sciences, CBS, for students like YOU! We are here to support you to become everything you are meant to be — especially, if you are the first in your family to attend college or from a systematically excluded, marginalized group. We hope that you leave this presentation feeling inspired and ready to tackle the rest of your day. Our faculty, staff and students can't wait to connect with you as a future CBS student in our various events!

---

**College of Engineering** - In this student panel, you will have an opportunity to ask questions to current engineering students about their experiences at UC Davis. Hear straight from your peers about their majors, their time on campus and more! **Safety note:** Part of your visit may include touring research labs. All visitors who intend on entering lab spaces must wear full-length pants (or equivalent) and closed-toe and closed-heel shoes. If you do not meet these requirements, you will not be allowed to access the lab. We thank you for honoring the UC Davis commitment to health and safety.

**College of Letters and Science** - Congratulations again on your admission to UC Davis! We are proud to have you and want to properly welcome you and your family to the College of Letters and Science! We invite you to pull up a seat for our listen and learn presentation while we answer some of your and your family's questions about our student resources and team member engagement. We have so much to share with you, you'll want to be seated for this one!

### **Undergraduate research**

An introduction to undergraduate research across majors at UC Davis and to the services, resources and programs of the Undergraduate Research Center.

### **Preparing for your career as a health professional presentation and panel**

The UC Davis Health Professions Advising, HPA, office is here to guide you to support your journey to a health professional career, including in medicine, veterinary medicine, nursing, and more. Join us to learn from HPA advisors on an intro to HPA resources and service. Then we will introduce a panel of current pre-health students who will be available during the reception for questions.

### **Preparing for your career as a health professional open house**

Ask questions and learn more about resources HPA and UC Davis have to support your professional goals. Guardians and Guests are invited to meet with HPA staff advisors in the lecture hall. Prospective students are invited to meet with current students and advisors in the lobby. All questions and pre-health professional careers are welcome.

## **Community**

### **Internship and Career Center**

The Internship and Career Center equips UC Davis Aggies with the professional knowledge, skills and connections to thrive as they launch their career journeys. Come get an overview of our services and get answers to questions that will help you launch your students successfully.

### **First-year Aggie Connections' guide for your first year**

Creating connections both in and out of class is an essential part of the first-year transfer experience and for building success at UC Davis. First-Year Aggie Connections is a fun and interactive program for all new students, including transfers. It's a great way to meet new people, explore campus resources, get involved and connect socially. You can pick a Connection group based on identities, hobbies, or academic interests. During this mixer-style Aggie Day session you'll be able to meet other new transfers in a fun and interactive environment, learn about a program that will help you navigate your first year at UC Davis, and play a fun Kahoot quiz for a chance to win prizes!

### **Veterans Success Center**

Get a general overview of the Internship and Career Center. Learn what it takes to jump start your career and make sure you graduate career ready! Come get all your questions answered.

### **Global learning hub**

Global learning at UC Davis is a combination of local, regional, national, and international experiences through which students develop key skills, knowledge, and networks that help build global awareness, engage global diversity and pursue collaborative and equitable global action.

### **Student services, resources, clubs and organizations fair**

Come explore Aggie life! Our student services and resources are here to help you find your way and a sense of belonging on campus. With over 800 student clubs and organizations on campus, this fair will give you just a taste of what you can be a part of when you say “Yes!” to UC Davis.

### **Resources for older wiser learners and student parents**

There are over 1500 undergraduate reentry students at UC Davis. Reentry students are ages 25 and older, with children, married/partnered, returning from a break in school, caregiving for adult family members. You bring unique and welcomed perspectives and experiences to the campus community. At this workshop you will:

- Native American Academic Student Success Center
- Learn about the services of the Transfer and Reentry Center and key campus resources
- Connect with other prospective reentry students
- Learn from the experiences of current reentry students via a panel discussion
- Leave feeling confident that you are a valued member of the campus community and belong at UC Davis

### **Shields Library guided tour**

The library has been an integral part of the UC Davis academic experience since the campus, then known as the University Farm, was founded in 1908. The library began as one room located within the university's Creamery building, which was one of only four buildings on the 779-acre campus. Today the flagship Peter J. Shields Library building is one of the largest and busiest buildings on the Davis campus, receiving nearly 1.7 million visitors each year, mostly students.

### **Say YES!**

#### **Submit Your Intent to Register**

If you're ready to become an Aggie, stop by our SIR station in **the Memorial Union Games Area** to Submit your Intent to Register! Take a photobooth pic and celebrate with special SIR swag!

#### **You've committed! What's next?**

Congratulations on your SIR to UC Davis! We are so excited for you to start on your college journey! Students and family members are welcome to join UC Davis Admissions Representatives as they share helpful information about campus, housing and next steps. There will be time for Q and A the last few minutes of the session.
