

Higher Education Emergency Relief Fund Reporting - Institutional Support

Three acts have been signed into law since March 2020, providing aid to address higher education challenges created by the COVID-19 pandemic. As of June 30, 2021, the total allocation to UC Davis was \$97,309,723. As of June 30, 2021, \$18,106,791 has been allocated to campus units and the remainder is being reviewed for future allocation.

UC Davis drafted a list of principles for the use of campus funds. Those principles were modified to incorporate updated guidance from the Department of Education and include, but are not limited to:

- Mitigate direct impacts to students including housing refunds, support for remote instruction, and Study Abroad Program refunds.
- Support the personnel costs associated with the transition to remote instruction and learning, including delivering training on remote technology, assisting in design of remote instructional materials, and providing support for faculty and staff responding to instructional needs.
- Prevent, prepare for, and respond to COVID-19.

Reporting Requirements

Under the terms of the grant agreement, reporting on the uses of funding is due on the tenth day following the close of each calendar quarter. The report must include the total amount of large covered funds (e.g., amounts in excess of \$150,000) received from the agency, the amount of large covered funds that were expended or obligated for each activity or project, a description of the project or activity, where applicable, the estimated number of jobs created or retained by the project or activity where applicable, and detailed information on subcontracts or subgrants awarded by the recipient.

HEERF I:

UC Davis was approved for \$16,935,881 in Institutional Support under Sections 18004(a)(1) and 18004(c) of the CARES Act. As of December 31, 2020, all funding has been received and obligated. Four campus units received CARES Act Institutional Support distributions:

Reimbursements for Student Housing and Dining

For Residence Hall and Student Housing Apartment residents who canceled their spring quarter contract and removed all belongings by March 25, 2020 at 4:00 P.M., a full refund was issued. Cancellations after that date received refunds prorated based upon a daily rate. The total refunds issued were over \$28M. UC Davis has allocated \$16,142,868 of CARES Act funding to address the significant financial impact related to those refunds.

IET's rapid transition to remote learning environments

In mid-March, Information and Educational Technology pivoted quickly to support the remote instructional and work environment as California counties began issuing shelter-in-place orders. This included scaling online exam proctoring services to meet new demand, support for remote class meetings through teleconferencing via Zoom, training webinars supporting faculty deployment of remote teaching tools, development of unique instructional videos to support faculty use of technology, and the development of The Keep Teaching website. Content on this site is closely monitored and updated daily.

A number of educational technology tools were integrated quickly to accommodate the move to remote instruction. The staff rapidly deployed new and expanded tools and integrated current tools in the learning management system. UC Davis has allocated \$582,292 to support the personnel costs associated with the transition to remote instruction and learning.

Global Affairs study abroad cancellations

COVID-19 resulted in the cancellation of study abroad programs for Spring and Summer 2020. These programs are, in part, supported by a program fee that was refunded or not charged as a result of the cancellation. However, some of the costs of these programs were already incurred and the program fees support staff activities that happen in advance of the students traveling abroad. UC Davis has allocated \$210,721 to address refunds issued for these cancelled programs.

UC Davis' grant as a Minority-Serving Institution:

UC Davis was approved for \$137,008 in Institutional Support under Sections 18004(a)(2) of the CARES Act. As of December 31, 2020, all funding has been received and obligated. The Academic Assistance and Tutoring Centers rapidly transitioned their Academic Specialist staff to provide online and remote academic support services to students during the campus closure. UC Davis has allocated \$137,008 to support personnel costs associated with the transition to remote academic support.

HEERF II:

UC Davis was approved for supplemental appropriations of \$34,772,473 under the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA). As of June 30, 2021, \$242,194 of the appropriation has been allocated to two campus units. Campus will continue to determine future allocations.

Shipping Textbooks to Students:

As a result of the pandemic, UC Davis transitioned to a remote learning environment. To encourage physical distancing and support students in their remote locations, UC Davis offered free shipping of textbooks to students. As of June 30, 2021, \$55,523 has been allocated to the cost of shipping textbooks to students at their remote learning locations.

UC Davis' grant as a Minority-Serving Institution:

UC Davis was approved for a supplemental appropriation of \$186,786 as a Minority-Serving Institution under the CRRSAA. UC Davis has allocated \$186,671 of this appropriation to support personnel costs associated with the transition to remote academic support.

HEERF III:

UC Davis was approved for a supplemental appropriation of \$45,464,361 under the American Rescue Plan (ARP). As of June 30, 2021, \$791,708 of the appropriation has been allocated to two campus units. Campus will continue to determine future allocations.

Contact Tracing Efforts:

In collaboration with local public health officials, UC Davis has established a contact tracing team to help prevent secondary spread of the coronavirus. On the Davis campus, positive test results for COVID-19 are reported to Yolo County Public Health and delivered securely to a case investigator at Student Health and Counseling Services for contact tracing and other follow-up measures. As of June 30, 2021, \$725,210 has been allocated to support expenses incurred for the Contact Tracing program.

OSSJA Judicial Officers:

UC Davis established 2 FTE to address non-compliance by students with UC Davis Interim Public Health Policy (PPM 290-01) and Interim Policy on Student Conduct and Discipline 102.27 (Failure to follow UC Davis Interim Public Health Policy, Section 290-01) under Section 103.10.9 (D) (unilateral action in response to campus COVID-19 regulations). As of June 30, 2021, \$66,498 has been allocated to support the hiring of 2 Judicial Officers.

Form Instructions

Completing the Form: On each form, fill out the institution of higher education (IHE or institution) name, the date of the report, the appropriate quarter the report covers (September 30, December 31, March 31, June 30), the 11-digit PR/Award Number (number is found in Box 2 of your Grant Award Notification (GAN)) for each HEERF grant funding stream as applicable, the total amount of funds awarded by the Department (including reserve funds if awarded), and check the box if the report is a “final report.” Institutions that expended HEERF grant funds during the calendar quarter from January 1 – March 30, 2021 are required to post the quarterly report that involved the expenditure of HEERF II CRRSAA and HEERF I CARES Act funds. The Department did not previously affirmatively indicate this reporting requirement was in place for HEERF II CRRSAA funds. As such, institutions may have until the end of the second calendar quarter, June 30, 2021, to post these retroactive reports if they have not already done so. For the July 10, 2021 quarterly reporting deadline, institutions are encouraged, but not required to, submit the quarterly reports (this institutional reporting form and the student quarterly report) to the Department by emailing those reports as PDF attachments to HEERFreporting@ed.gov.

In the chart, an institution must specify the amount of expended HEERF I, II, and III funds for each funding category: (a)(1) Institutional Portion; (a)(2), and (a)(3), if applicable. (a)(2) funds include Assistance Listing Numbers (ALNs) 84.425J (Historically Black Colleges and Universities (HBCUs)), 84.425K (Tribally Controlled Colleges and Universities (TCCUs)), 84.425L (Minority Serving Institutions (MSIs)), 84.425M (Strengthening Institutions Program (SIP)); (a)(3) funds are for ALN 84.425N (Fund for the Improvement of Postsecondary Education (FIPSE) Formula Grant) and 84.425S (SAIHE). Each category is deliberately broad and may not capture specific grant program requirements. Explanatory footnotes help clarify certain reporting categories. While some items in the chart are blocked out, please note that the blocking of such items is consistent with Department guidance and FAQs and is not definitive. Provide brief explanatory notes for how funds were expended, including the title and brief description of each project or activity in which funds were expended. Do not include personally identifiable information (PII). Calculate the amount of the (a)(1) Institutional Portion, (a)(2) and (a)(3) funds in the “Quarterly Expenditures for each Program” row, and the grand total of all three in the “Total of Quarterly Expenditures” row. Round expenditures to the nearest dollar.

Posting the Form: This form must be conspicuously posted on the institution’s primary website on the same page the reports of the IHE’s activities as to the emergency financial aid grants to students made with funds from the IHE’s allocation under (a)(1) of the CARES Act, CRRSAA, and ARP (Student Aid Portion) are posted. It may be posted in an HTML webpage format or as a link to a PDF. A new separate form must be posted covering each quarterly reporting period

⁵ Please post additional documentation as appropriate and briefly explain in the “Explanatory Notes” section. Please note that funds for (a)(2) and (a)(3) may be used to defray expenses associated with coronavirus (including lost revenue, reimbursement for expenses already incurred, technology costs associated with a transition to distance education, faculty and staff trainings, and payroll).

(September 30, December 31, March 31, June 30), concluding after either (1) posting the quarterly report ending September 30, 2023 or (2) when an institution has expended and liquidated all (a)(1) Institutional Portion, (a)(2), and (a)(3) funds and checks the “final report” box. IHEs must post this quarterly report form no later than 10 days after the end of each calendar quarter (October 10, January 10, April 10, July 10). Each quarterly report must be separately maintained on an IHE’s website or in a PDF document linked directly from the IHE’s HEERF reporting webpage. Reports must be maintained for at least three years after the submission of the final report per 2 CFR § 200.333. Any changes or updates after initial posting must be conspicuously noted after initial posting and the date of the change must be noted in the “Date of Report” line.
