

UC DAVIS WEILL SCHOOL OF VETERINARY MEDICINE

Seventy-fourth Commencement Ceremony

FRIDAY, MAY 22, 2026

Robert and Margrit Mondavi
Center for the Performing Arts

University of California, Davis

For more than 100 years, the University of California, Davis, has engaged in teaching, research and public service that matter to California and transform the world. Located close to the state capital, UC Davis has over 40,000 students, an annual research budget that exceeds \$900 million, a comprehensive health system and 13 specialized research centers. The university offers interdisciplinary graduate study and more than 104 undergraduate majors in four colleges – Agricultural and Environmental Sciences, Biological Sciences, Engineering, and Letters and Science. It also houses six professional schools – Education, Law, Management, Medicine, Veterinary Medicine and the Betty Irene Moore School of Nursing.

The Weill School of Veterinary Medicine

The UC Davis Weill School of Veterinary Medicine provides teaching, research and service programs to benefit animal health, public health and environmental health. As the only veterinary school in the University of California system, we serve the entire state.

The Doctor of Veterinary Medicine degree program is a four-year course of academic study and clinical training. Faculty research and the real-world cases of the William R. Pritchard Veterinary Medical Teaching Hospital are essential components of the program. Students enrich their learning through scientific projects, international exchange, volunteer activities and field experience.

Since 1948, the Weill School of Veterinary Medicine has launched the careers of more than 7,500 veterinarians and 1000 Master of Preventive Veterinary Medicine professionals. More than 1,100 residents and dozens of master's and doctoral students have completed training here. All keep current in their fields through continuing education at the school. Our graduates are practitioners and leaders in private practice, public agencies, academia, industry and other settings.

Congratulations to our newest graduates and their families.

Academic Dress in the United States

The ceremony of commencement is the most formal occasion celebrated by the university, and the participants traditionally wear academic dress, their official robes of office.

The origins of academic dress date back to the Middle Ages, when learning was largely confined to the church. The cap, gown and hood of modern usage descended from articles of dress worn by church dignitaries, likely for warmth in unheated buildings.

The cap is worn by holders of all degrees, but those with doctorates are entitled to wear a gold tassel and may substitute a velvet tam.

The gowns for the bachelor's degree, have pointed sleeves; for the master's degree, oblong sleeves; and for doctoral degrees, round, bell sleeves with bars of velvet either in black or in the degree color.

Bachelor's recipients have the option of wearing a Stole of Appreciation decorated with the university seal, as a symbol of achievement. Holders of higher degrees wear the hood, which represents a cowl that was used at one time to cover the head. The doctor's hood is slightly longer than the master's and has a rounded shape. Each has a silk, satin or velvet border on the outside in colors representing the discipline in which the wearer received his or her degree. The assignment of those colors was standardized in the United States in the late 19th century. They include green, the color of medieval herbs, for medicine, maize for agriculture and golden yellow, standing for the wealth that scientific research has produced, for the sciences. The trim for Doctor of Philosophy is dark blue. Some other examples:

Arts and Letters	white	Fine Arts	brown
Business.....	beige	Law.....	purple
Education.....	light blue	Veterinary Medicine	gray
Engineering	orange		

The hoods are lined in the school colors. The University of California colors are blue and gold. Here are some examples of others:

Chicago.....	maroon	Ohio	crimson and gray
Colorado State.....	green and gold	Pennsylvania....	cardinal and navy blue
Cornell	carnelian and white	Princeton.....	orange and black
Harvard	crimson	Stanford.....	cardinal
Illinois	navy blue and orange	Washington	purple and gold
Indiana	cream and crimson	Tuskegee	crimson and gold
Michigan	maize and blue	Yale.....	blue

Program

Processional

Commentary on the Procession

Karl E. Jandrey – Associate Dean, Admissions and Student Programs, Weill School of Veterinary Medicine

Entry of Candidates and Academic Procession

Elgar: *Pomp and Circumstance March No. 1*

Pamela Lein – Marshal and Chair of the Faculty, Weill School of Veterinary Medicine

Introductory Remarks

Mark Stetter – Dean, Weill School of Veterinary Medicine

Commencement Address

Joie Watson – Associate Dean of Professional Education, Weill School of Veterinary Medicine

Presentation of the School of Veterinary Medicine Medal

Awarded in recognition of outstanding academic and clinical performance

Joie Watson – Associate Dean of Professional Education, Weill School of Veterinary Medicine

Certificates to Residents

Gary May – Chancellor, UC Davis

Michael Mison – Associate Dean for Veterinary Medical Center Operations and Chief Veterinary Medical Officer, William R. Pritchard Veterinary Medical Teaching Hospital

Presentation of the Master of Preventive Medicine Candidates

Gary May – Chancellor, UC Davis

Gabriele Maeir – Assistant Specialist in Cooperative Extension, Department of Population Health and Reproduction, Weill School of Veterinary Medicine

UC Davis Attending Leadership

Simon Atkinson – Vice Chancellor, Research

Richard Corsi – Dean, College of Engineering

Mary Croughan – Provost and Executive Vice Chancellor

Jean-Pierre Delplanque – Vice Provost and Dean, Graduate Studies

William Garrity – University Librarian and Vice Provost of Digital Scholarship

Anu Johl Singh – President, Cal Aggie Alumni Association

Phil Kass – Vice Provost, Academic Affairs

Joanna Regulska – Vice Provost and Dean, Global Affairs

Tom Smith – Dean, School of Education

Mark Winey – Dean, College of Biological Sciences

Leadership Remarks

Mary Croughan – Provost and Executive Vice Chancellor, UC Davis

Faculty Speaker

Gina Davis – Health Sciences Assistant Professor, Department of Medicine and Epidemiology, Weill School of Veterinary Medicine

Remarks to the Graduates

Mark Stetter – Dean, Weill School of Veterinary Medicine

Student Speaker for the Class of 2026

Trang Le

Presentation of the Candidates and Conferral of Doctor of Veterinary Medicine Degrees

Gary May – Chancellor, UC Davis

Mark Stetter – Dean, Weill School of Veterinary Medicine

Karl Jandrey – Associate Dean, Admissions and Student Programs, Weill School of Veterinary Medicine

Pamela Lein – Marshal and Chair of the Faculty, School of Veterinary Medicine

Administration of the Veterinarian's Oath

Peter Bowie – President, California Veterinary Medical Association

Concluding Remarks

Mark Stetter – Dean, Weill School of Veterinary Medicine

Recessional

Slide show and music from the Class of 2026.

Special thanks to the children and families who supported graduates who are parents.

The audience is requested to remain in place during the processional and recessional.

Certificates to Residents

ALEX AUBRECHT

University of Minnesota, DVM

Lambda Chapter

Members are wearing medallions bearing the emblem of Phi Zeta. Membership is based on high academic achievement.

Veterinarian's Oath

Being admitted to the profession of veterinary medicine, I solemnly swear to use my scientific knowledge and skills for the benefit of society through the protection of animal health and welfare, the prevention and relief of animal suffering, the conservation of animal resources, the promotion of public health, and the advancement of medical knowledge.

I will practice my profession conscientiously, with dignity, and in keeping with the principles of veterinary medical ethics.

I accept as a lifelong obligation the continual improvement of my professional knowledge and competence.
