FOR IMMEDIATE RELEASE

Your Ticket to a Career that Pays: UC Davis Transfer Admission Guarantee (TAG)
Davis, CA–May 1, 2016 (UC Davis Undergraduate Admissions)

California community college students have a leg up over the competition—they can guarantee their admission to the University of California (UC), one of the top public universities in the world! The Transfer Admission Guarantee (TAG) is available at six UC campuses to domestic and international students who have completed at least 30 semester (45 quarter) UC transferable units and are currently attending a California community college.

The UC Davis TAG is a formal agreement that allows students to guarantee their admission in a specific major, up to one year before enrolling at UC Davis. The agreement specifies coursework and GPA that must be achieved, and lists specific requirements for selective majors. An approved fall-term TAG ensures admission to UC Davis, as long as agreement terms are met.

Students should begin working on the UC Transfer Admission Planner and TAG Application as soon as possible, by self-reporting coursework and grades. After selecting a UC Davis major, students can submit the fall 2017 UC TAG Application in September 2016. Students will receive their UC Davis TAG decisions online by November 15, allowing ample time to submit the required fall 2017 UC application for undergraduate admission and scholarships by November 30, 2016.

Minimum Requirements:
• Full-time enrollment at your primary community college spring 2016 through spring 2017. Part-time enrollment is permissible for good cause and with a brief explanation for part-time attendance on the UC TAG Application.
• Completion of at least 30 semester (45 quarter) UC-transferable units by the end of summer 2016
• Minimum required overall grade point average is 3.20–3.30 on UC-transferable work, dependent upon major. Minimum required course grade point average is 2.90-3.40 on UC-transferable work, dependent upon major. Students must have this GPA average at the time TAG is written and must maintain it throughout the remainder of their transfer work.
• A plan demonstrating how UC transfer admission requirements in the areas of English (UC-E) and mathematics (UC-M) will be met by the end of fall term 2016.
• A plan demonstrating how remaining UC transfer admission and UC Davis selective major requirements (as appropriate) will be met by the end of spring term 2017.
• Submit TAG request using the UC TAG Application, September 1-30, 2016.
