TRANSFER ADMISSION GUARANTEE (TAG)  
A QUICK-REFERENCE GUIDE TO UC DAVIS FALL 2017 TAG CRITERIA

For complete details of the UC Davis TAG Criteria, visit tag.ucdavis.edu.

WHEN AND WHERE TO START
- UC Davis TAGS are available to students at all California community colleges (CCC).
- Start with a UC Transfer Admission Planner (UC TAP) at uctap.universityofcalifornia.edu/students.
- Submit your TAG to UC Davis in September, one year before your planned fall-term enrollment.

ENROLLMENT PROVISIONS
- Open to domestic and international students and those with out-of-country records
- Full-time enrollment at a CCC from spring 2016 to fall 2017. Part-time enrollment may be allowed for good cause.
- Enrollment at a non-CCC institution is disallowed beginning fall 2016 and up to the time of enrollment.
- Summer sessions directly prior to enrollment may not be used to complete courses required for UC eligibility, the 60 UC-transferable semester units or for courses required for selection to the major.

UNIT REQUIREMENTS FOR TAG ELIGIBILITY
- Complete 30 semester/45 quarter UC-transferable units by the end of summer 2016 (may include AP/IB units).

DEADLINES FOR COURSE COMPLETION (all majors)
- By the end of fall 2016:
  UC transfer admission eligibility in English composition (UC-E)—2 courses;
  UC transfer admission eligibility in mathematics (UC-M)—1 course
- By the end of spring 2017: 60 semester/90 quarter UC-transferable units (30 units from CCC, not including AP/IB units).

LIMITATIONS (TAGs are closed to the following)
- Students with baccalaureate or higher degrees
- Former UC students not in good standing
- Former UC Davis students, exclusive of UC Davis summer session
- Students attending high school fall 2016 and later. Students may be enrolled in high school spring 2016 only if simultaneously enrolled at a CCC.
- Students with 80 semester/120 quarter units or more, after applying UC lower-divisions unit limitations and exclusions; College of Engineering applicants are exempt.

OVERALL GPA (for all UC-transferable courses completed at the time of TAG and through enrollment)
- All majors in the Colleges of Agricultural and Environmental Sciences, Letters and Science, Biological Sciences: 3.20
- All majors in the College of Engineering: 3.30

REQUIREMENTS FOR TAG SUBMISSION
- Via your UC TAP account, self-report all requested information, including a full academic history with each college or university of enrollment (domestic and international), English language programs and any gaps in education. All grades and courses must be reported as they appear on transcripts. Demonstrate how you will fulfill UC transfer admission and UC Davis selection major requirements by reporting courses in progress and planned.

UC DAVIS MAJORS AVAILABLE FOR TAG
- All majors (selective and non-selective), with the exception of undeclared and undeclared/exploratory programs. Visit ucdavis.edu/majors and tag.ucdavis.edu to learn more about our selective majors. Landscape Architecture applicants must apply to a pre-major program.
UC DAVIS SELECTIVE MAJORS AND REQUIREMENTS

BIOTECHNOLOGY
(College of Agricultural and Environmental Sciences)
2.50 GPA in each of the two following major course groups:
  - Mathematics 16A/B or Mathematics 17A/B or Mathematics 21A/B
  - Chemistry 2A/B/C
Biological Sciences 2A or 2B or 2C (completion of the entire series strongly recommended) with the following GPA variances:
  - 3.00 GPA (B grade) if only one course is completed at the time of TAG
  - 3.00 GPA in a course or courses comparable to one UC Davis course
  - 2.50 GPA in courses comparable to two or more UC Davis courses

COLLEGE OF BIOLOGICAL SCIENCES (all majors)
2.50 GPA in each of the following three major course groups:
  - Mathematics 17A/B/C or Mathematics 21A/B
  - Chemistry 2A/B/C
  - Biological Sciences 2A/B/C

COLLEGE OF ENGINEERING (all majors)
3.20 group GPA in courses required for admission
See specific major requirements at assist.org (2015-16) with the following exceptions:
  - Electrical Engineering majors are no longer required to complete the following courses for admission selection (though strongly recommended for completion prior to transfer): Communication 1 or 3, Engineering 6, English 3 or University Writing Program 1
  - Mechanical Engineering majors are no longer required to complete the following courses for admission selection (though strongly recommended for completion prior to transfer): Communication 1 or 3, Engineering 45, English 3 or University Writing Program 1, Physics 9D

COMPUTER SCIENCE (College of Letters and Science)
3.40 group GPA in the following two course groups:
  - Mathematics 21A/B/C
  - Engineering Computer Science (ENG CS) 20, 30
If one course from a group is completed at the time the TAG is submitted, that course must be completed with an A- grade or better. ENG CS 40 is strongly recommended for completion prior to transfer; however, it is no longer required for transfer admission selection as previously published.

PSYCHOLOGY (College of Letters and Science)
2.90 group GPA in the following courses:
  - Psychology 1
  - Statistics 13
  - One of these two options:
    - Biological Sciences 2A –OR-
    - Biological Sciences 10 –AND- one course from:
      - Anthropology 1 –OR-
      - Molecular and Cellular Biology 10 –OR-
      - Neurobiology, Physiology and Behavior 10

VITICULTURE AND ENOLOGY
(College of Agricultural and Environmental Sciences)
3.00 group GPA in the following courses:
  - General Chemistry 2A/B/C
  - Organic Chemistry 8A
  - Mathematics 16A
  - Physics 1A -AND- Physics 1B -OR- Physics 7A
  - Biological Sciences 2A
Recommended and, if taken, must be included in the 3.00 course group GPA:
  - Organic Chemistry 8B
  - Mathematics 16B
  - Plant Sciences 2

PROVISIONS FOR ALL SELECTIVE MAJOR COURSE REQUIREMENTS
  - In addition to the stated overall GPA, satisfy requirements for a major course group GPA.
  - Course group GPAs must be achieved for any courses that are completed at the time of TAG (by end of summer 2016) and must be maintained through enrollment.
  - Courses required for selective majors must be completed by the end of spring 2017.
  - Courses must be taken for a letter grade, with no grade less than C; repeats in progress are not allowed.
  - AP/IB exam equivalencies are acceptable; see the UC Davis General Catalog.
