

UCDAVIS

Undergraduate Admission 2017

AT UC DAVIS, YOU ARE A GO-GETTER, A CHANGE MAKER, A PROBLEM SOLVER.

We don't just talk about change—we live it. Professors and students inspire each other to imagine a better life. We help you understand history and build upon it, find the problem and fix it, create the opportunity and take it. UC Davis is where you change the world.

UC Davis students can get involved in research as early as their first year. Ranked No. 1 in the U.S. and No. 2 in the world for agriculture and forestry, we advance food security around the world, like creating wheat that's more drought tolerant.

1st in the world
for veterinary sciences

**1st in the U.S. and
2nd in the world**
for agricultural and forestry

**11th among public
research universities**
in the U.S.

50+ RESEARCH PROGRAMS, DAILY INNOVATIONS

Our academic reputation draws the best students from around California and the world. We offer challenging, hands-on instruction in a collaborative and supportive environment. All the benefits of a highly ranked research university are yours, including our top-ranked medical center and a veterinary hospital. Start your future here, at UC Davis.

Internships

Put your classroom learning into practice while getting real-world experience—on campus, off campus and abroad.

icc.ucdavis.edu

Academic excellence

Strengthen your study skills, craft success strategies, get help with your classes and find resources. Our academic support services answer the diverse needs of UC Davis students, including support for veterans, transfer students and students interested in graduate study or professional school. We create opportunities for you to build your campus network and get involved as soon as you arrive.

Study ocean life at the UC Davis Bodega Marine Laboratory.

Ryan Taylor '16

Chemical Physics; minor in Energy, Science and Technology

Transferred from Bakersfield Community College Bakersfield

The first in his family to attend a four-year university, Ryan transferred to UC Davis ready to take on the world. During his three years here, he interned at UC Davis' Energy Efficiency Center and explored energy exchange in nanomaterials as a member of Dr. Ting Guo's research group in the Department of Chemistry. Today, he is a consultant for one of *Forbes'* Best Run Small Companies and *Fortune's* Fastest Growing Companies.

AT UC DAVIS, YOU ARE ONE OF A KIND AND PART OF A KIND.

Aggies take pride in creating community. From the excitement of tailgate parties at Aggie Stadium to meeting friends downtown, we make connections that last. The friendly barista who serves you coffee will be in your chemistry midterm study group. The host of last night's poetry slam also teaches your advanced writing course. At UC Davis, we play and achieve together.

At UC Davis, students create lifelong friendships and powerful career networks. Here, friends take a moment to capture a selfie with Eye on Mrak, one of seven campus Eggheads.

800+ STUDENT CLUBS, 28,383 FRIENDS

Life on campus is full and active. Our students excel academically and have fun, too. Hangout spots—such as the Quad, the Coffee House, the Student Community Center and the arboretum—buzz with activity. Cultural events, student performances, pick-up sports games and Greek life organizations are just a few of the ways to connect. Do more here, at UC Davis.

Alejandra Gordillo '18

Nutrition Science
Los Angeles

Alejandra's mother inspired her focus on healthy lifestyle choices, and she's carried that motivation to UC Davis. Facilities and programs like the Activities and Recreation Center, *Eat Well, Live Healthy* and campus-grown produce give Aggies easy access to good nutrition. Alejandra says, "This feeling is contagious, and I want to share the joy of health with everyone."

about 50 percent of
the city's population**

100+ MILES OF BIKE PATHS, 265 DAYS OF SUN

Davis is a student-focused city with a friendly, welcoming atmosphere. Student housing is available on and off campus, and an inviting downtown features many popular shops and restaurants. Davis is famous for bicycles, environmental consciousness and a close relationship with the university. Our central location between the ocean and the mountains means that plenty of outdoor adventures await you. Roam freely here, at UC Davis.

APPLY IN NOVEMBER

universityofcalifornia.edu/apply

The UC application for undergraduate admission and scholarships is available on August 1, 2016, and can be submitted November 1–30, 2016. Personal insight prompts in the application will allow you to share additional information about yourself. These prompts replace the personal statement required on last year's application.

Admission calendar

August 1

The online application opens.

October

File the Free Application for Federal Student Aid (FAFSA) or California Dream Act Application. Both are free, but you must file by the March 2 priority deadline each year for full aid consideration.

November 1–30

Submit your application.

December

Take the ACT with Writing or the SAT Reasoning plus SAT Essay exams by December 31.

March

Freshman admission decisions are released.

April

Transfer admission decisions are released.
